

THERE'S ONLY ONE GENERAL...

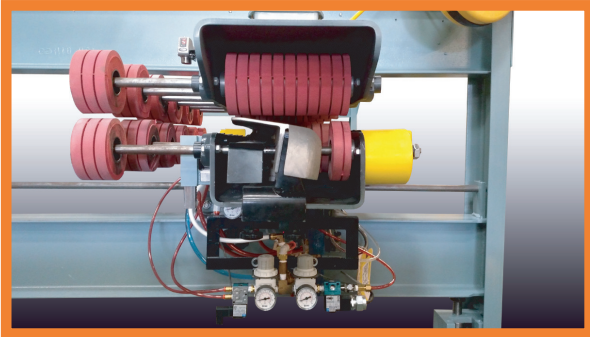

For over 70 years the GENERAL line of taper gluers has been the machine of choice throughout the industry. From our most basic 9 ft. model, to our flagship the 16 ft. Big Mouth we've got you covered. Whether you want Hot Glue, Cold Set Glue, Tape or maybe all three we'll help you *seal the deal* with the industry standard made right here in the USA!

Big Mouth™

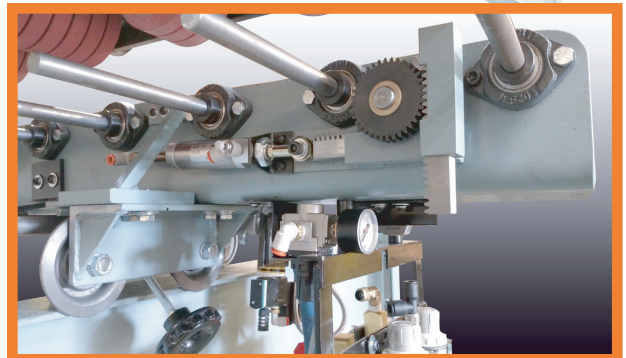

This 16ft unit complete with dual conveyors is able to run 2-piece boxes in a single pass, OR run 2 smaller jobs at the same time!

The Original "bubble-gum" rubber rollers for easier cleanup and longer life!

Hotmelt and Cold Set Glue Units

Alignment/Squaring mechanism
