## FRICTION LOCK CONVERSION

**T**ired of sloppy registration? Say goodbye to those days forever with the Friction Lock Conversions from CORRUGATED GEAR AND SERVICES, INC.

Worn out Keyways are a fact of life, so why not tackle the problem at the source. Our design works with your existing keyway, but eliminates any play that is typically associated with this type system by using Friction Locking Elements that really work!

Give us a call and let us show you how to modify your existing setup with our "Registration Remedy", and put an end to all of your guess work.
